Unhappy Women!

No woman can be happy when her health is undermined. No woman can have good health while she suffers from female weakness, inflammation, ulceration, or any disease of the delicate womanly organs. Nervous, sleepless, fretful, suffering in body and mind, she does not live but only exists.

More than a half a million such women have found a perfect and permanent cure for their diseased condition in the use of Doctor Pierce's Favorite Prescription. Women cured by this remedy say it is a "wonderful medicine," so perfectly does it restore them to health and comeliness.

There is no alcohol in "Favorite Prescription," neither does it contain opium, cocaine, nor any other harmful drug. It is in the strictest sense an honest, transparent medicine. Its ingredients are purely vegetable, and it will agree with the most delicate constitution.

Don't be hypnotized, or over-persuaded, into accepting a substitute. This medicine has a record that beats far more than any difference in price.

Sick and ailing women are invited to consult Dr. Pierce, either personally or by letter, absolutely without charge or fee, thus avoiding the unpleasant questioning, offensive examinations and obnoxious local treatments considered necessary by many local practitioners. All correspondence treated as strictly private and sacredly confidential. Write without fear and without fee to Dr. R. V. Pierce, 603 Main Street, Buffalo, N. Y.

These tiny, sugar-coated, antacid granules regulate Stomach, Liver and Bowels, cure Constipation and Bad Stomach, attended by flatulence, headache, one or two for laxative, three or four for cathartic.

This great family Doctor Book FREE on receipt of 21 one-cent postage stamps to cover cost of mailing; or, in fine cloth binding 31 stamps. Address Dr. R. V. Pierce, 603 Main Street, Buffalo, N. Y.

KEEP YOUR HEAD UNCOVERED.

The Constant Wearing of a Hat Propagates Dandruff Germs.

There are many men who wear their hats practically all the time when awake, and are blessed with a heavy shock of hair; yet if the scalp of these same men once became infested with dandruff germs, the parasites would multiply all the quicker for lack of air. Baldness would ensue as the final result. Newbro's Herpicide kills these germs and stimulates healthy hair to abundant growth. Herpicide is a pleasant hair dressing as well as a dandruff cure and contains not a atom of injurious substance. Sold by leading druggists. Send 30c. in stamps for sample to The Herpicide Co., Detroit, Mich.

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

Kodol Dyspepsia Cure

digests what you eat, takes the strain off of the heart, and contributes nourishment, strength and health to every organ of the body. Cures Indigestion, Dyspepsia, Sour Stomach, Inflammation of the mucous membranes lining the Stomach and Digestive Tract, Nervous Dyspepsia and Catarrh of the Stomach.

After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.

MRS. LORING NICHOLS, Penn Yan, N. Y.

I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me.

DISORDERS IN CHICAGO.

Fighting in the street of Chicago yesterday, growing out of the teamsters' strike, was even more fierce and savage than that of Monday. The strikers and their sympathizers attacked the non-union men at every opportunity, assailing them with bricks, stones, clubs, knives, and any and every offensive weapon upon which they could lay their hands.

The fighting occurred in the heart of the business section of the city, men being shot down within 200 feet of the retail store of Marshall Field & Co., clubbed nearly to death at the corner of the Auditorium Hotel in plain view of hundreds of ladies, who were compelled to run from the mob to save their own lives. In many instances men walking along the streets who had no active connection whatever with the strike, were assaulted by hoodlums, who beat them first and later accused them of being strike breakers.

A notable instance of this kind was that of Rev. W. K. Wheeler, pastor of the Ninth Presbyterian Church, who while passing the corner of Desplaines and Adams streets, on his way to the Pennsylvania depot, was attacked by three men, who knocked him down and beat him unmercifully, until the timely arrival of the police saved him from further injury. Mr. Wheeler managed to hold one of his assailants until the police could arrest him.

William Miles, a colored waiter, while at work in a lunch room at Adams and Sangamon streets, far a mile from his former scene of rioting during the strike, was also a victim of the strikers' fury although he had no connection whatever with the trouble. He was accused of being a strike breaker, was pounded on the head with a billy, knocked down and trampled on. Miles was removed to the hospital, where his injuries were pronounced severe.

As far as known but one man was killed during the day. The list of injured is much greater than that which it is possible to obtain. In many cases the non-union men swung their clubs with great effect, knocking men from their wagons heading into the street; in other instances, when assailed by mobs they fired point blank into the crowds and it is difficult to see how the members of the mob could escape many broken heads or how all the bullets fired during the day should have gone wild.

Mayor Refused to Act.

Mayor Buxton, of Newport News, yesterday specifically refused to take any action in regard to the alleged gambling games and raffles in progress at the Elks' fair in that place. He was called upon by Rev. E. T. Wellford, opposite whose church the fair is being held, and who on Sunday preached a sermon, in which the fair was scored. To the minister's complaint he said:

"If you choose to place the responsibility on me, I accept it, and will state that as far as I am concerned, as mayor of the city, nothing will be done in reference to the alleged gambling games that are being conducted at the Elks' bazaar."

Mayor Buxton was elected to office on a reform platform, and Rev. Mr. Wellford expressed himself as keenly disappointed with the stand taken by the mayor, holding that the games complained of are in strict violation of the letter and spirit of a State law. While Rev. Mr. Wellford's scathing denunciation of the alleged gambling caused much talk, the Elks have continued their raffles and the wheel of fortune, to which the objection was made. The only way in which the matter may now be reached is through the grand jury, and it is not thought likely that body will take it up.

Truths that Strike Home

Your grocer is honest and—if he cares to do so—can tell you that he knows very little about the bulk coffee he sells you. How can he know, where it originally came from, how it was blended—or with what—or when roasted? If you buy your coffee loose by the pound, how can you expect purity and uniform quality?

LION COFFEE, the LEADER OF ALL PACKAGE COFFEES, is of necessity uniform in quality, strength and flavor. For OVER A QUARTER OF A CENTURY, LION COFFEE has been the standard coffee in millions of homes.

LION COFFEE is carefully packed at our factories, and until opened in your home, has no chance of being adulterated, or of coming in contact with dust, dirt, germs, or unclean hands.

In each package of LION COFFEE you get one full pound of Pure Coffee. Insist upon getting the genuine. (Lion head on every package.)

(Save the Lion-heads for valuable premiums.)

STOP, WOMAN!

AND CONSIDER THE ALL-IMPORTANT FACT

That in addressing Mrs. Pinkham you are confiding your private troubles to a woman—a woman whose experience with women's diseases covers a great many years. You can talk freely to a woman when it is revolting to relate your private troubles to a man—besides a man does not understand—simply because he is a man. Many women suffer in silence and drift along from bad to worse, knowing full well that they ought to have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probably examinations of even their family physician. It is unnecessary. Without money or price you can consult a woman whose knowledge from actual experience is great.

Mrs. Pinkham's Standing Invitation. Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. All letters are received, opened, read and answered by women only. A woman can freely talk of her private illness to a woman; thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken. Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Surely any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs. Pinkham, Lynn, Mass., for special advice. When a medicine has been successful in restoring to health so many women, you cannot well say, without trying it, "I do not believe it will help me."

"I Thank The Lord" cried Hannah Plant, of Little Rock, Ark., "for the relief I got from Bucklen's Arnica Salve. There Is a Difference.

The difference between Kennedy's Laxative Honey and Tar and all other Cough Syrup is that it moves the bowels, thus expelling a cold from the system. This relaxes the nervous tissues and by its healing effect on the throat and lungs the cough is relieved—cured entirely. Kennedy's is the original Laxative Honey and Tar and contains no opiates. Good alike for young or old. Tastes good. Sold by W. F. Creighton, 401 King Street, and corner Queen and Patrick streets.
